

**Clinch Valley Health** is driven by our mission of *making communities healthier*.<sup>®</sup> We are dedicated to providing high-quality care close to home and investing in our region's overall well-being. Our teams are committed to embodying our core values and improving the health of all those we serve. We feel privileged to be part of this community, and we take seriously the role we play in providing compassionate, accessible care to patients and their families.

With the support of Lifepoint Health and community partners like you, we continue to advance our mission and create places where people choose to come for healthcare, physicians and providers want to practice and employees want to work. We look forward to further enhancing how we serve our neighbors today and for generations to come. Thank you.

## 2023 Community Benefits

**Added 82 employed and independent providers**

Inviting the best possible providers into our community and supporting them is essential to ensuring access to high-quality care. This year, we added providers in anesthesiology, cardiology, emergency and internal medicine, gastroenterology, general surgery, hematology, medical oncology, neurology, OB/GYN, radiation oncology, radiology, psychiatry and urology.

**Made more than \$8.1 million in capital improvements**

By continually investing in our facilities, we're helping to ensure that we continue to meet our community's healthcare needs. This year's investments included a new CT simulator and linear accelerator for radiation oncology, along with an automated breast ultrasound.

**Distributed a payroll of \$54,004,317 to approximately 580 employees**

We strive to create an environment where talent is recognized, job satisfaction is valued and our employees can effectively use their skills to provide high-quality care and services.

**Donated more than \$9.2 million in services to those in need**

Delivering care to all of our neighbors, regardless of their ability to pay, is foundational to our mission and our commitment to our community.

**Paid \$10,120,404 in taxes**

We are proud to be a leader in our region, and our dedication to ensuring fiscal responsibility extends both to our hospital and to our community.
